Subject: iPhone 5 is coming. Here's one thing you need to know...

May 7, 2011

Dear Fellow Investor,

Famed money manager Gary Kaminsky says this company is "a pure play on wireless growth"... CNBC's Lee Brodie says it's "closely tied to an industry that's poised to explode"...

And one of America's most successful growth investors calls it, "the one stock you must buy before the iPhone 5 hits the shelves." Yet chances are, you've never even heard of it.

Which is why I thought you might be interested in an exclusive video report that reveals the full story behind this under-the-radar opportunity -- including everything you need to start cashing in.
